OUR GENERAL POLICY

Committee members are entitled to access all information held by their society or its officers acting for the society, but they will not be asking for personal data unless they need it to discharge their duty as a committee member.
- Ensure it is relevant and up to date –Members will be asked to confirm or correct the information the Association holds about them when they pay their rent or renew their membership each year. A review may be conducted if felt necessary by the General Committee.
- Only hold as much as needed, and only for as long as needed – There are good reasons for holding ex-plot holders' details for a time in case of further contact. Records will not include member's age or date of birth.
